

Model	Connector
	A(min.)
SOLDER BUTT SLEEVE 3-2MM	4.0

Product name: black heat shrink tube

Operating Temp: -55°C-125°C

Start Shrinking Temp: 84-120°C

Withstand voltage: 600V

Product material: EVA material

Shrinkage: 2:1

Feature:

1. Environmentally friendly flame retardant material, soft and
2. Easy to use, heat gun and lighter can shrink
3. Wire connection protection, insulation protection, not easy

Size(mm)	Suitable Cable	Color
L(min.)	(mm ²)	
20.0	3.0-2.0	Black

l elastic, good insulation

/ to leak
