

Flash Item No.:		BL/ZR-TG002					
Description							
20W SMD LED SLIM FLOODLIGHTS							
Auxiliary code:		BL/ZR-TG002					
Barcode:		6009696367811					
Sample required when manufactured for the first time		YES					
Dimensions							
Length		150mm					
Width /Diameter		128mm					
Depth		38mm					
Bracket Thickness		1,5mm					
Specifications: Rated							
Driver / Ballast		Intergrated CC Driver					
IC Chip		BP Chip					
Mains wire		0,75mm ² 3 Core pure Copper cable					
Watt		20W					
Lumen		1500lm					
Colour		Matt Black					
Beam Angle		120°					
Power Factor		>0.95					
Voltage		230V 50Hz					
Lifetime		3 years					
IP Rating		IP65					
Colour Temp		6000K Daylight ± 150K					
ARTWORK/PACKING SPECIFICATIONS							
Product History		Existing					
Packing		Box Packing					
Purpose		Display					
Manual Required		Yes					
Euro Hole Required		No					
<small>Minimum Size Euro Hole - Flash Standard</small> 							
PLEASE COMPLETE ALL SHADED AREAS FOR ARTWORK PURPOSES							
Length		158mm					
Width / Diameter		139mm					
Lid		44mm					
Specifications							
Energy Rating		A					
Watt		20W					
Lumen		1500lm					
Colour Temp		6000K Daylight					
IP Rating		IP65					
ADDITIONAL INFORMATION							
ICONS: BEAM ANGLE , RECYCLE, NO BIN , CE . IP65							
SLOGANS:							
WARNINGS: REFER TO INSTRUCTION BEFORE INSTALLATION							
Packing per Export Carton							
Colour Box UV Laminated Finish		As per Flash Artwork					
EXPORT CARTON SIDE MARKS							
Colour Box packing		INNER CARTON		EXPORT CARTON QTY		Quantity	
1 Pc		NO		30 Pcs		Weights and Measurements	
Protection in packing		As per Flash instruction		Virgin Material Only		Carton 1-Up	
						Production No	
						Line drawing of lamp on 2 sides of export carton	
						Flash Guarantee must cover 70% of Panel on 2 sides and be printed in Red & Black as per Flash Artwork	
						Slogan must be printed in Red on 2 sides as per Flash Artwork	
						Use Virgin Material Only	
SPECIAL INSTRUCTIONS
