Voice Control

The SD-102 works with Amazon Alexa or Google Home. So you can simply turn on or off the light by voice. It is that simple.

Z-Wave Plus Technology

Unlike traditional WiFi which is prone to interference and obstacle issues. The Z-Wave plus is the best choice for smart home with its interference free frequency and MESH architecture. These technology insure reliable, energy saving, and uninterrupted connection for your smart home devices.

AirLive SmartLife Plus APP

The SmartLife Plus APP puts everything together in your smart home. You can view the reading or video of your device. The Scene manager let you design lighting and action for each room and occasions. The Macro allow you to set "If this then that" action. It allows you to tailor made your smart home to your need.
