

PT-3600 Electronic Labeller

The P-touch 3600 from Brother is an excellent stand alone or PC and Mac compatible electronic labelling machine.

- Easy to use
- Multi-function cutter
- Rotate & print function
- Large semi-graphical LCD display
- USB connection
- Qwerty keyboard
- Prints up to 36mm laminated labels
- Prints barcodes

PT-3600

Professional labelling made easy

With all the best P-touch printing functions it's the ideal machine to meet your labelling requirements. Special features include the new multi-function cutter which is capable of printing labels consecutively - giving a string of labels that are half-cut and ready to peel easily.

With a print speed of 20mm per second and a print resolution of 360dpi, the P-touch 3600 produces excellent quality professional labels; helping you achieve a better organised working environment.
