

ORICO 2.5 / 3.5 inch 4 Bay USB3.0 1 to 3 Clone Hard Drive Dock (6648US3-C-V1)

Description

The Orico 4 Bay USB3.0 to 2.5" and 3.5" Hard Drive Dock copies massive data without connecting to your computer. When in automatic sleep mode the hard drive stops operating to reduce abrasion and heat. It improves efficiency and security but it does not influence your work and life. The built in new clone technology makes it easy to use.

Features

- Fit for 2.5" / 3.5" HDD and SSD
- Handles daily storage and expansion
- Conveniently and quick
- Energy saving and environment-friendly
- Transfer speed is up to 5 Gbps, saving much more time for you
- Simple and sleek chassis is made out of ABS material with sand blasting
- Install HDD or SSD without any tools
- Hot-swapping supported
- Plug and play
