

Roof hook UK Pantile (without wood screw)

Item No. R420180

Product properties

Dimensions	170x185x175
Dimensions base plate	50 x 185 mm
Perforations in base plate	25 x 6,5 mm
Material thickness	6,0 mm
Weight	0,614 kg
Colour	Grey mat

Application properties

Compatible with tiles	S-Shaped; Modern interlocking UK
Applicable to substructure material	Wood
Space for horizontal adjustment	75 mm
Space for vertical adjustment	21,00 mm
Article is pre-assembled	Yes
Rail orientation on roof hook	Horizontal
Compatible with product group	VarioSole SE; VS+
Additional article in set	R900001; R900007

Material

Material	Steel
Surface coating	Zinc according to ISO 1461; Category C3

Statics

Compression force limit	0,95 kN
Tension force limit	0,95 kN
Shearing force limit	0,70 kN
