

High Voltage Testers

**VTT25F Telescopic Hot Stick - Ritz**

- ASTM F 1826-00 specification
- Length when extended 7.78m (25ft)
- 6 Sections
- Suitable for voltage ranging 1 to 132kV
- Rubber hook latch
- Base cap for better stability
- Triangular design for easy operation
- Easy replacement sections
- Heavy duty carry bag included
- Comes with conformance certificate

**VTT30F Telescopic Hot Stick - Ritz**

- ASTM F 1826-00 specification
- Length when extended 9.18m (30ft)
- 7 Sections
- Suitable for voltage ranging 1 to 132kV
- Rubber hook latch
- Base cap for better stability
- Triangular design for easy operation
- Easy replacement sections
- Heavy duty carry bag included
- Comes with conformance certificate

**C4031601 (SH250) - Hastings**

- Length when extended 7.62m (25ft)
- Suitable for voltage ranging 1 to 132kV
- Fuse hook and bag standard
- Comes with calibration certificate

T99FD - Fuse disconnect included

**CSH230 (SH230) - Hastings**

- Length when extended 9m (30ft)
- Suitable for voltage ranging 1 to 132kV
- Fuse hook and bag standard
- Comes with calibration certificate

T99FD - Fuse disconnect included
