

Product –SVP555X-WP / SVP556X-WP

Connector Type	3P/ XLR / MALE (SVP555X-WP) / FEMALE (SVP556X-WP)
----------------	---

Electrical

Working Voltage	500V dc
-----------------	---------

Current Rating	15A
----------------	-----

Voltage Proof	1500VAC
---------------	---------

Working AC Voltage	125V
--------------------	------

Mechanical

Insertion force	10~80N
-----------------	--------

Withdrawal force	10~80N
------------------	--------
